

# Tuna Melts

by Caitlin Wolf

## Ingredients

150g Tuna (2 small cans or 1 large can)

2 TBSP Mayo

100ml shredded cheese (a few handfuls, to taste)

2 slices bread

## Procedure

- Mix the tuna and the mayo in a bowl.
- Divide the tuna-mayo mixture in half and spread onto the two pieces of bread.
- Sprinkle the cheese over both pieces of bread.
- Cook in the toaster oven for about six minutes, or until the cheese is fully melted and begins to brown. Serve immediately
